

# wonder

TURNING INTO A REAL FAMILY

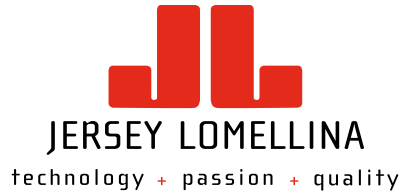

## Wonder:

**Wonder** is the ideal fabric for the most sophisticated beachwear, for trendy and high performance shapewear and for the most technical sportswear. Compact and mat, **Wonder** ensures perfect cover even in the lightest shades. It was designed to offer the right mix of lightness and breathability, muscular compression and freedom of movement. Thanks to its excellent stretch, your silhouette is shaped without you feeling constrained, micro-circulation is enhanced and tissues oxygenation is improved both when you are relaxing and during physical activity. **Wonder** perfectly fits your body as a second skin, it is highly UVA and UVB protective (UPF 50+), fast drying, and has been awarded the prestigious LYCRA® Sport certificate. Furthermore, the Xtra Life LYCRA® ensures an excellent chlorine resistance, even after over 240 hours spent into swimming pool water.

And starting from today **Wonder** will also stand for style and modernity thanks to our new color card and the LYCRA® Beauty certificate. **Wonder** has just joined the new, innovative platform by Invista, entirely dedicated to all the latest news in the shapewear world. A real breakthrough for a high quality, glamorous, comfortable and powerful fabric which has been developed to put together support and an amazing shaping action.

## Wonder Black line:

It features the same, surprising characteristics and certificates as **Wonder** in a pitch-black version that won't fade even after many washes and many hours under the sun. Silky and glossy, this fabric is also incredibly versatile: the perfect choice for fashion, ideal for comfort lovers, unique in its ability to enhance your overall wellness.

### Wonder Peach:

**Wonder Peach** is obtained through a special process that results in a soft brush, which is extremely pleasant and delicate on your skin.

Soft and silky, it embraces your body and shapes your silhouette without making you feel constrained.

### Wonder Plume:

Wonder Plume light and soft, fresh and dry, fits like a second skin and is ideal for sportswear, fitness, dancewear, leisure and fashion.
