

VOGUE

WHAT WOMEN REALLY WANT

A new beauty secret lies underneath your clothes on sunny, summer days: **Vogue**, the new exclusive fabric by Jersey Lomellina featuring a high shaping and slimming power that can totally redefine your silhouette, is ready to surround your body in its embrace!

Designed to enhance femininity, **Vogue** is characterized by excellent shaping and sculpting properties and ensures both perfect fit and maximum comfort.

Vogue is ideal for the production of new generation Shapewear items that will meet the requirements of even the most sophisticated women offering a sculpting and smoothing effect, comfort, style, quality and reliability.

Compact and mat, it is also pilling resistant and UV protective (UPF 50+).

Thanks to **Vogue** by Jersey Lomellina your garments will always look perfect, both for your everyday appointments and special dates, the perfect tools to make all your wishes come true!
